Pyongyang Soju, whose alcohol content is 25 percent, is the national liquor of the DPRK.
Its producer and distributor is the Taedonggang Foodstuff Trading Company with the legal address at Sadong District of Pyongyang. It turns out a range of alcoholic beverages, such as Pyongyang Soju (19- and 25-percent), Pyongyangju (30- and 40-percent), and Koryo Liquor (30- and 40-percent).

The Taedonggang Foodstuff Factory under the company annually produces a variety of alcoholic beverages of several thousands of kilolitres, maintaining traditional methods and applying modern technology in production.

To ensure unique flavour and highest quality—this is a steadfast principle maintained by the Taedonggang Foodstuff Trading Company in its management.

전통적인 발효법으로 만든 흰쌀소주와 유기농법으로 재배한 강냉이로
생산한 알콜희석식 소주를 혼합하여 만든 **착하고 순한 평양소주**

Pyongyang Soju is produced by combining a base spirit, a mixture of alcohol made from maize cultivated by organic farming, and water, with a distilled spirit made from rice by means of the traditional method. It is, therefore, light and tender.
